Mrs Anna Gray

My Dear Madam

I have just received from  
you copies of a Memorial of Dr Gray & a  
list of his writings. Please accept my  
hearty thanks for them. I shall treas-  
ure them not only for their intrinsic  
value but as mementos of one I greatly  
love & venerated - of a dear friend and  
a great man. In looking over  
the list of his writings I am more and more  
amazed at his extraordinary fertility &  
versatility

Accept also madam my deep sym-  
pathy with you in your great loss. The  
whole world mourns with you

Very sincerely your friend  
Joseph S. Coate
